

Fee Protection Scheme – support when you need it most

We are pleased to invite you to subscribe to so much more than our tax investigation service and introduce you to **My Business Hub**.

The business world continues to evolve and the demands on your business continue to increase. As your accountant, we understand that you need advice and support that goes beyond traditional tax, accounting, and tax investigation insurance.

Introducing My Business Hub – you are only a click away

- Thinking of taking on extra staff? Go to my Business Hub now.
- Need a Health & Safety policy? Go to My Business Hub now.
- Need advice from an expert? Or a second opinion? Call 0844 892 2807.

In addition, our experts will be ready to support you every step of the way should you receive a tax investigation, and our fees will be covered by this insurance backed service.

An HMRC enquiry can be a worrying time. You need the confidence and peace of mind that the matter is being looked at in the right way, to be able to conclude the matter as quickly as possible without the stress of additional fees to pay.
